The Cost to replace one of these non-expiring, rechargeable Mx Transponders is over \$200, therefore I authorize WSP Racing LLC to charge \$200.00 for each transponder and \$10 for every clip to the credit card listed above if the transponder is lost or not returned **within 5 days**. I understand that the transponder and clip are the property of WSP and if charged, I may be refunded by the cash held or cc charged IF returned in a timely manner.
